

Marlow Darts League – Instructions for Joining.

To join the Marlow Darts League you must attend the AGM in August. Any team not attending will be refused admission into the league.

A joining Fee of £25 is required. This is returnable when a team leaves the league.

Each Season a non-returnable fee of £10 is charged.

There is a monthly meeting (first Monday of each month) that team captains must attend. If the captain cannot attend for whatever reason the club secretary must attend. There is a 3point fine (proposed at the next AGM) for non-attendance.

There is a small fee for each game played. These fees are available for inspection by downloading the league rules from this site.

Food is normally provided by the hosting pub on match nights. This does not apply on competition nights.

Payment for food and match fees is by arrangement between the team and the pub they play at. The match fees are collected at the monthly meetings.

Where possible, competitions are played at the pubs. Obviously some competitions can only be played at the Royal British Legion Marlow.

The AGM is open to all players of the league to vote on any changes to the rules for that year.

Match results are to be phoned through to Ron on 01628 477056 or emailed to ron@katronsystems.co.uk by the Saturday following the match. There is a 1pt fine for not reporting your results.

There is a complaints committee to resolve any complaints which must be made in writing to the league.
